## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-24 are allowed. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach a trampoline including a bed having a pair of substantially parallel first sides, a non-rectangular base frame including an interior region frame, and a perimeter frame encircling the interior region frame. Southwood (U.S. 3,031,688) and Hsia (U.S. 6,539,564) are examples of prior art including curved frames, however, the prior art fails to teach perimeter frame encircling an interior frame and a bed held under tension.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
